PRIVATE DINING GUIDELINES

PRIVATE EVENTS

Whether you're hosting a business meeting, cocktail reception, or seated dinner, etch is your home for private events! Both locations offer two private dining rooms with doors separating them from the main dining area. While our rooms are not equipped with A/V equipment, we are happy to arrange delivery and setup with advanced notice.

RESERVATIONS

To secure a private dining reservation, a signed contract and valid credit card number are required. There is no fee to book the space, however, a food & beverage minimum must be met to secure the private rooms. The number of guaranteed guests is due within 48 hours of the event date. This will be the number of guests we will expect and set for the day of the event. We cannot guarantee accommodations for additional guests beyond the confirmed headcount; additional fees apply in the event we can accommodate add-on guests.

MENU OPTIONS

Our full menu is available for groups of 12 or less; a limited menu is required for groups of 13 or more. Prices and items on menus are subject to change without notice. For reception-style events, hors d'oeuvres selections are due 14 days prior to the event, or a Chef's selection will be chosen. Due to the complexity of our dishes, a long cook time for large groups is to be expected and we cannot guarantee all dishes to come out at the same time. Customized printed menus are available for an additional fee of \$2/menu.

TAX & OTHER CHARGES

We request a 20% gratuity for private dining events, plus applicable taxes. Gratuity is a tip, thus entirely at your discretion. Separate checks are available for parties of 10 or less. Etch charges a \$30/750mL bottle and a \$50/1.5L bottle corkage fee, and a \$30 cake fee for outside wine and desserts to be brought into the restaurant.

CANCELLATION POLICY

The food & beverage minimum will be charged in the event of a cancellation within 14 days of the reservation. If your party is booked within less than 14 days of the scheduled event, the cancellation period is 7 days.
